**New facility a drawcard**

PEOPLE of all ages rolled in for the grand opening of the Knox Skate and BMX Park in Knoxfield's Gilbert Park.

Spectators watched in fascination as skilled competitors took part in both BMX and skateboard competitions.

Sport and Recreation Minister James Merlino opened the new \$650,000 facility on April 5. "The new park is a fantastic public space for young people to nurture their talent in skateboarding and bike riding, while socialising, getting active and having fun," Mr Merlino said.

The skate bowl was completed on December 21. But the final site works were finalised in January, including car parking and landscaping.

**Water Myth**

#1

Myth: "Industry and businesses are the real water wasters."

Fact: Melbourne's Industry and businesses use half as much water as Melbourne households. They also use 30% less water than they did in the 1990s, so they're doing their part to save water.
